

PROPERTY TOKEN S.A. (PROPERTY TOKEN) and its brand Digibrixx ensure that the information gathered from a user's browsing device are accessed or protected in accordance with the provisions of Directive 2002/58/CE of the European Parliament and of the Council of July 12, 2002 regarding the processing of personal data and the protection of privacy in the electronic communications sector (Directive on privacy and electronic communications), as transposed by the law of May 30, 2005 on the personal data's treatment and the protection of privacy in the electronic communications sector.

PROPERTY TOKEN advises that during the viewing of the Digibrixx.lu website, and ".eu" et ".com" extensions (Digibrixx.lu), cookies are placed on the computer, the tablet or any terminal used by the visitor. This allows PROPERTY TOKEN to analyse the traffic of the pages and to improve the website PROPERTY TOKEN.lu. In any case, cookies are used according to their nature and for the following purposes.

The user can accept or decline cookies by using the mechanism in the banner or the links below.

## 1. Definition

For the purposes of this policy, the following definitions apply:

**User:** any person who visits one or more pages of the PROPERTY TOKEN.lu website or uses one of the services offered on the Website, including those requiring the identification of the User (through, for example, a name, an email address and a password).

**Website:** the website accessible at the following address: Digibrixx.lu.

**Company:** PROPERTY TOKEN S.A., established and having its registered office at L-8010 STRASSEN, 224, route d'Arlon.

## 2. What is a Cookie?

A cookie (hereinafter the "Cookie(s)") is a text file that is deposited on a terminal when you visit the Website or view an advertisement. The Cookie allows Digibrixx.lu to "remember" your actions or preferences over time.

The purpose of a Cookie is to collect information about the User's browsing on the Website and to send the User personalized services and content.

## 3. How does PROPERTY TOKEN use cookies?

We use a Cookie to enhance the web page.

The cookies we use do not store any personal identifying information and do not damage the user's browsing equipment. We want Digibrixx.lu to be informative, personal, as user-friendly as possible and, Cookies help us achieve this goal.

Prior to and by visiting the Digibrixx.lu Website, the user agrees to the use of Cookies and other technologies as defined in this policy.

We value the fact that some users wish to have more personalized control over their visit to the Website, therefore they can set their settings through the Cookies banner accordingly.

In addition, most search browsers host and manage Cookies, so users can set their browsers to decline them and can delete them at any time (see below: How to manage browser Cookies?).

If you do not agree to this cookie policy, you should not use the Digibrixx.lu Website.

## 4. User's consent

The Directive on privacy and electronic communications, and more precisely its article 5, paragraph 3, requires the prior consent of the User for the storage of or access to information stored on the users' browsing equipment.

For the consent to be effective, it must be clear, precise, freely given and a genuine indication of the individual's wishes. To comply with this regulation, we ask Users to accept most of the Cookies and similar technologies (e.g., web beacons, Flash cookies, etc.) prior to any browsing of the Website by means of a Cookies banner.

## 5. What type of cookies does PROPERTY TOKEN use?

3 types of cookies are used by the website, namely:

- **The strictly necessary Cookies**

These Cookies are essential for you to fully benefit from the functionality of the Website. Without these Cookies, some areas of the Digibrixx.lu Website will not perform as they should. These Cookies only require information for the User to be stored on the User's computer and do not allow for any behavioural or identification tracking.

- **The functional cookies**

These cookies enable Digibrixx.lu to remember choices you make (such as your username, language, or region) and provide enhanced, more personalized features. These cookies may also be used to remember changes you make to text size, fonts, and other areas of the Web pages that you can customize. They may also be used to provide services you have requested, such as watching a video or commenting on a blog. The Information that these Cookies collect may be anonymized and do not track the User's browsing activities on other websites.

- **The performance Cookies**

These Cookies provide us with information on how you use the Website and help us to improve it. For example, Cookies count the number of visitors on the Website and analyse how Users navigate while using it. This helps us to improve the operation of the Website, for example, by ensuring that users can more easily find what they are looking for.

Such Cookies do not collect any personally identifiable information about a User. All information that these Cookies collect is anonymous. They are used for the sole purpose of better performance of the Digibrixx.lu website.

PROPERTY TOKEN uses Google Analytics Cookies to help us understand how customers access, navigate or use our Website. These Cookies highlight areas where we can improve use of the Website, such as navigation and marketing campaigns. For more information on Google Analytics cookies, please visit the official Google Analytics page: <https://www.google.com/analytics/terms/gb.html>.

## 6. Cookies' retention period on a computer or a phone

PROPERTY TOKEN uses both persistent and session cookies.

A session Cookie allows website operators to link a user's actions during a browser session. A browser session starts when a user opens the browser window and ends when the user closes the browser window. Session Cookies are only created temporarily. Once you close the browser, all session cookies are deleted. They are not stored on your hard drive.

A persistent cookie allows us to recognize you as an existing user. After you login, a persistent cookie remains in your browser and will be read by Digibrixx.lu whenever you access the Website to use our services.

PROPERTY TOKEN will not store cookie information for more than a year.

## 7. User's rights

The user is entitled to the same rights as those stated in the privacy policy.

For more information on the Cookies policy, please send us an email: [gdpr@digibrixx.eu](mailto:gdpr@digibrixx.eu).

## 8. How to manage browser Cookies?

The user can manage cookies in his/her browser through the browser settings. The " Help " button on most browsers advises the User how to prevent your browser from allowing new Cookies, how to request the browser to notify the User when a new Cookie is about to be stored, how to disable Cookies and when they expire. If the User disables all the Cookies on his/her browser, neither we nor third parties will transfer Cookies to your browser. In this case, the User may have to manually set certain preferences every time he/she visits the Website, otherwise some features and services may not work.

Please consult your browser's instructions or wizard to learn more about adjusting or changing your browser's cookie settings.

Each search browser provides support for managing Cookies in their products.
